- b. not have represented another country in any sport for the preceding two years;

- e. be free of any injury or illness which will or has the potential to impair, inhibit or prevent the athlete from performing at the requisite level; and
- f. be compliant with any eligibility guidelines published from time to time by the FIVB or the AVC, including rules and guidelines which apply to eligibility to represent Australia in the sport of Beach Volleyball.

Appeals

The sole grounds upon which an athlete may appeal his or her non-selection in a Team or for an event are:

1. The Selection Policy has not been properly followed or implemented
2. The athlete was prevented from having a reasonable opportunity to meet the Selection Criteria
3. There was no material on which the decision of the athlete's non-selection could reasonably be based.

Any appeal from an athlete against his or non-selection by VA will be resolved according to the following procedure:

- a. The appeal will be heard by the VA Appeal Tribunal (Tribunal)
- b. The appellant must be the athlete who has not been selected
- c. The appellant must give written notice, including grounds of his or her appeal to VA's CEO within 48 hours of the being informed of the Selection Committee's decision
- d. The Tribunal will comprise the following persons, as appointed by the VA Board:
 - o A barrister or solicitor who will act as Chair;
 - o A person with a thorough knowledge of the sport and who preferably has had recent international competition experience in the sport; and
 - o one other person of experience and skills suitable to the function of the Tribunal
- e. No person is eligible to be appointed to the Tribunal if he or she is a member of the VA Board or the Selection Committee, or if by reason of his or her relationship with the appellant or any member of the Board or Selection Committee he or she would be reasonably considered to be other than impartial
- f. The Tribunal will convene a hearing as soon as possible after the submission of the grounds of appeal. The Tribunal is not bound by the rules of evidence but must observe the principles of natural justice and procedural fairness
- g. Prior to the hearing, the Selection Committee will provide the Tribunal and the appellant with a written statement as to the reasons for the decision against which the appeal is made
- h. The Tribunal will give its decision as soon as practicable after the hearing and may provide the VA CEO and the appellant with a statement of the reasons for its decision
- i. The VA CEO or the Chair of the Tribunal may impose any other procedure for the appeal which, in either's belief, is fair and appropriate in the circumstances.

The decision of the Tribunal will be final and binding on the parties and it is agreed that neither party will institute or maintain proceedings in any court or tribunal other than the Tribunal. Failure to observe the above time limits will render any appeal a nullity provided that an athlete may apply to the VA CEO for an extension of time in which to commence an appeal. The VA CEO has discretion whether to grant an extension of time, although shall only do so in circumstances where the delay is caused by extenuating circumstances outside the control of the athlete concerned.
